

Travel Portugal

1. Introduction

- This site will be a travel booking site for three regions of Portugal: Lisbon, Porto, and the Azores. The site will allow you to customize your own travel package. Pick the region you want to visit, and choose one restaurant, tourist attraction/event, and place to stay. There will be three items from each category ranging from least to most expensive.

Home Page

2. User Interface Design and Prototype

- There will be a home page and three region pages. The home page will have a carousel cycling through images of the three regions as well as links to the region's pages.
- The region pages will have the same basic layout. Each will have the region name, a fixed image of the region that is the same as the one in the carousel from the first page, a brief summary of the region, and restaurant, hotel, and attraction/event options.
- Below the summary and options will be a “book now” button that will open the form to: choose the number people in your party, select the dates of travel, choose your restaurant, hotel, and attraction/event options.

Region's Page

3. Navigation Structure

- Every page will have a nav bar that has the Portuguese flag icon as the link back to the home page as well as links to each region.
- The home page will have also have links to each region's page in the carousel, as well as in the summary section.
- There will also be a footer where the user can follow Travel Portugal on social media, and possibly links again to go to each page.
